

Arctic Valley

Hayo, these are the billboard files you need for the park. Put them in the corresponding folder on your PC. If you put these files in the folders before you open the park in the game, the files will automatically connects to the right billboards and speakers. Maybe you need connect the music **Spooktacular show audio.mp3** file to the Display Sequencer wich you can find at the stands in the Pixel Areana.

Billboard files ▶ My Documents/Frontier Developments/ Planet Coaster/UserMedia
Music ▶ My Documents/Frontier Developments/ Planet Coaster/UserMusic

Have fun and please rate the blueprint if you like it and leave a comment.
